Ensure your item is very securely packaged prior to shipment. If you are drop shipping an item, email this form to us.

SHIP TO:

**Extreme Hydrographics
Attn: Dinnetta DeVille
4911-A Shed Road
Bossier City, LA 71111**

Extreme Hydrographics will lay out the areas professionally so that your item has the best overall appearance. The hydrographics process requires that all items be submerged in water as part of the process. Extreme Hydrographics does not claim any responsibility for damage caused to items from being submerged. Great care is taken on all items to ensure damage is prevented. There is no warranty on scopes. Items having hydrographics applied to them will require seams and/or parts to be uncoated. Should any questions arise, Extreme Hydrographics will contact you via email or telephone immediately. You will be notified within 24 hours via email (or telephone should email not be available) upon receipt of your item(s). Items should be clean prior to shipment. All stickers and riveted tags from ATV's should be removed prior to shipment. If labels and tags remain, and owner would like to have them on, additional charges will apply for taping off, otherwise they will be coated or removed. All firearms should be disassembled and cleaned prior to shipment. Only send what you are having coated. By signing below, you are authorizing Extreme Hydrographics of LA to process all shipped parts as specified on this form.
